

UW-EAU CLAIRE

The following link leads to a web-based survey that was sent to all students by the Advising Taskforce as part of a campus-wide review of advising. There is no plan to re-administer the survey on a regular basis. It was a web-based survey. The URL is: <http://www.uwec.edu/studentenote/academicadvisingsurvey.htm>

A survey of undeclared students is administered annually. Although the survey varies from year to year, the following version reflects the types of questions asked of students http://www.uwec.edu/advising/advisereval/advisereval_spring2005.htm
