TO: Jodie Wagner, Ph.D.
1999-00 UW-L Academic Staff Council Chair

FROM: Douglas N. Hastad
Interim Chancellor

SUBJECT: Academic Staff Council Recommendations on Benefits and Privileges
for Academic Staff Emeriti

DATE: July 20, 2000

Based on a careful review of your 1999 recommendations, recent Faculty Senate recommendations, and discussions with appropriate staff, I approve the following recommendations:

Academic Staff emeriti from the University of Wisconsin-La Crosse should have:

- Yes 1. The use of Murphy Library including the interlibrary loan service and the general access computer labs located in that building.
- Yes 2. A life time free parking sticker for use in university lots.
- No 3. Business cards funded by the department. (*Department decision.*)
- Yes 4. The same privileges as current employees for participation in purchases of surplus equipment.
- Yes 5. The same privileges as current employees for placing ads in the Campus Connection.
- No 6. A cost for the use of recreation facilities at the current published rate for students. (*Due to private sector concerns we cannot allow this discount.*)
- No 7. A cost for tickets for athletic events at the current published rate for students. (*All academic staff pay adult fees for all events*)

Page 2

- No 8. A cost for tickets for cultural events at the current published rate for students. (*One free ticket to Lectures & Concerts, and Distinguished Lecture Series tickets at student cost.*)

If and when remote log-on capability for e-mail and internet access becomes available at UW-L, emeriti academic staff should have that opportunity for the same cost as academic staff.

Where feasible, departments should consider the use of mailboxes, computer access, and office space for Academic Staff Emeriti. (*If space permits/department option.*)

Approve the selected Academic Staff Council Recommendations on Benefits and Privileges for Academic Staff Emeriti.
