- (1) The per credit fee for summer session is equivalent to the semester per credit rate for the previous academic year.
- (2) Segregated fee charges for summer session are established using one-half of the semester rate for the previous academic year as the guideline. The charge per credit and maximum fee are set by the individual campus with review by the Vice President for Business and Finance.
- (3) No additional charge for graduate students taking over 9 credits in Doctoral Cluster and over 10 credits for the Comprehensive Universities.
- (4) Students taking over 12 credits will be assessed the per credit rate for the additional credits.
- (5) Board of Regents approved differential tuition programs.
- (6) Students enrolled in the Pharmacy program will have a different tuition rate in their fourth year. This tuition rate is based on the cost of blocks and creates a flat tuition rate; therefore, there is no per credit rate.
- (7) Additional per-credit charge is applied regardless of the credit plateau.
- (8) Applies to 200- to 600-level courses offered by the School of Business Administration.
- (9) Applies to all students enrolled in undergraduate and graduate courses offered by the College of Engineering & Applied Science.
- (10) Applies to "new" students admitted to the major in the Fall 2004 semester and enrolled in the clinical major courses offered by the College of Nursing.
- (11) Applies to all students enrolled in undergraduate courses offered by the Peck School of the Arts, except eight 100-level General Education Requirement (GER) courses.
- (12) Stout Laptop Fee is charge per credit for each credit taken. This is a mandatory fee per credit and not considered part of regular tuition. This per-credit program will apply to freshman, sophomores, and juniors in 2004-05.
