

CDR Liaisons/Institutional Researchers Meeting

Van Hise Hall, Room 1820

Tuesday, October 16, 2007

10:00 – 2:00

AGENDA

1. Welcome/Introduction
2. Voluntary System of Accountability (VSA)
 - What challenges do you see in implementation of VSA at your campus?
3. UW System Strategic Framework Planning (Think Tanks)
4. Race/Ethnicity
 - a. Campus reports – What issues have arisen in the campus implementation of the new race/ethnicity information?
 - b. Resurveying Process – How and when should current students be re-surveyed?
5. CDR Changes/Issues
 - a. Potential New Data Elements – 1st Generation College Student; Others?
 - b. CDR Guidelines
 - c. Remedial Reporting and Verification

What processes and procedures do campuses use to verify the CDR remediation needed and completed data? Are there best practices that can be shared?
 - d. Campus Plans for PeopleSoft Upgrades and Implementations

How will these plans impact the CDR? Will they affect subsidiary systems (Fin Aid, MAAD, TIS)?
6. Campus Round Robin - Updates on Current Campus Projects and Analyses
7. IPEDS Update
8. IAIS Update
9. Climate Study
10. Accountability Update
11. Other
