Equivalency Submission Counts
(Figure B-16)

PURPOSE: This screen is used to enter selection criteria to retrieve and display total counts of courses and associated course equivalencies on the TIS data base. Overall course and freshman/sophomore course totals are displayed for each "From Institution" in addition to totals and percentages of equivalencies of these courses for a specified "To Institution". The Equivalency Submission Counts are programmatically updated. The update program is run following each batch submission and, periodically, to reflect on-line updates.

FUNCTION NOTES:

The upper section of the screen lists the key field used to retrieve the Equivalency Submission Counts. The lower section displays the information associated with the selection criteria entered above.

To retrieve a screen of submission data, enter an Institution ID and press ENTER. You may place the cursor on the field and press F1 to get a list of possible entries for Institution and select from the list.

The lower section of the screen displays the specified submission data. You may use the F4 (Page Down) key to scroll down through the records or the F3 (Page Up) to page up the list.

DATA ELEMENTS:

The following data element is used to retrieve submission counts:

TO Institution

The following TIS information is displayed:

FROM Institution: The institution (UW or WTCS) that offers the courses.

Total Courses: The number of undergraduate courses that are currently available to be offered at the From Institution. For UW-Extension, Total Courses includes the university credit courses offered through the Independent Study (Learning) program. For WTCS districts, Total Courses includes college parallel courses offered at Madison, Milwaukee and Nicolet Area Technical Colleges and associate degree courses offered at each of the sixteen technical college districts.

Total Equivalencies:

The number of equivalencies of UW undergraduate courses or WTCS college parallel and associate degree courses that have been provided to TIS by the specified To Institution.

Freshman/Sophomore (Fr/Soph) Courses:

The number of UW undergraduate courses that are likely to be taken by freshman and sophomore students.

Freshman/Sophomore (Fr/Soph) Equivalencies:

The number of equivalencies of UW freshman/sophomore courses provided to TIS by the specified To Institution.

Freshman/Sophomore (Fr/Soph) Percent:

The percentage of the equivalencies of UW freshman/sophomore courses provided to TIS by the specified To Institution.

Show Equivalencies Indicator:

An indicator that is set to "Y" ("Yes") when the To Institution has provided a substantial portion of the equivalencies for a From Institution's courses. When this indicator is set to "Y", the equivalencies are available to users in the TIS "Student" section.
