WIAC Women's Tennis All-Time Standings

(Since 1986-87)

* Teams were awarded points based on their rankings in the regular season conference standings, with nine points going to the first place team, eight to the second place team, etc. Each team also earned points based on its finish at the conference meet. The team with the most points overall earned the conference title.

** The conference championship is determined by using a combination of the regular season dual meet results and the conference tournament. The finish in the regular season conference standings counts for one-third of the criteria, while the conference tournament counts for the remaining two-thirds.
